Notes to financial Statements
LOVE THE HUNGRY, INC.
December 31, 2019 and 2018

NOTE 1. NATURE OF OPERATIONS

Love the Hungry, Inc., was formed in December of 2011. Working in partnership with non-governmental organizations, the mission of Love the Hungry, Inc. is to provide nutrient-rich meals that alleviate and reverse the effects of malnutrition in young children.

The organization uses Mathile M+ Micronutrients, a formula proven to specifically meet the needs of young children. In 2016, Love the Hungry became a charter member of the Alliance for Better Nutrition (ABN). Many ingredients and packaging supplies are purchased through ABN, including M+ Micronutrients. The ABN provides volume discounts and high standards for quality control and sanitation.

Love the Hungry, Inc. has launched a collaborative project designed to address the urgent need for humanitarian aid in South Sudan. The project will include the development of a Nutrition Center to ensure that Nutri-Plenty™ meals are safely stored, properly prepared, and served in a sanitary environment. The project also includes a clean water initiative that was completed in 2019 and consists of a borehole well, solar pumping station, water tower and security fencing.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

Basis of Presentation

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

For the years-ended December 31, 2019 and 2018, donations of \$7,630 and \$583, respectively, were designated by the board of directors for the construction of a nutritional center and clean water initiative project in South Sudan. Since these contributions have not been restricted by their donors, they are classified as contributions without donor restrictions. See Note 7 for further discussion of this matter.

Policies and Basis of Accounting

The financial statements of Love the Hungry, Inc. have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities. As of December 31, 2019, and 2018, there were no amounts receivable or payable.

Cash, Cash Equivalents and Liquidity

Love the Hungry, Inc.'s cash consists of cash on deposit with banks. All cash and cash equivalents on the balance sheet are available within one year of the balance sheet date to meet cash needs for general expenditures.

As of December 31, 2019, and 2018, the Organization did not have any cash equivalents.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the estimated useful life of the related assets, which range from five to seven years. Normal repairs and maintenance are expensed as incurred; whereas, significant improvements, which materially increase values or extend useful life, are capitalized and depreciated over the remaining estimated useful life of the related assets. Upon sale or retirement of depreciable assets, the related cost and accumulated depreciation are removed from the accounts. Any gain or loss on the sale or retirement of assets is recognized in current operations.

Tax-Exempt Status

The Organization is a tax-exempt organization, under 501 c (3) of the Internal Revenue Code, and is only subject to federal income tax on net unrelated business income. The Organization follows the accounting standards for contingencies in evaluating uncertain tax positions. These standards prescribe recognition thresholds for tax positions taken or expected to be taken on a tax return that are not certain to be realized. No liability has been recognized as a result of the implementation of this standard. The Organization's returns are subject to review and examination by federal authorities for a period of three years after the filing due date of the returns.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions, if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

Contributions-continued

Contributed tangible property and equipment are recorded at fair value as of the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

In-Kind Donations

Love the Hungry, Inc. received donated in-kind donations of \$5,400 consisting of corrugated cartons of for each of the years ended December 31, 2019 and 2018. Such amounts, which are based upon information provided by third party providers, are recorded at their estimated fair value determined on the date of the contribution and are reported as contributions in-kind on the accompanying statement of activities.

Donated Services

No amounts have been reflected in the financial statements for donated services. Love the Hungry, Inc. pays for most services requiring specific expertise. However, meals are packaged solely by individuals that volunteer their time. Volunteers also assist with a variety of other tasks that help the Organization accomplish its mission. In 2019 and 2018, more than 5,200 and 4,800 volunteers, respectively, participated in packaging events. For the years ended December 31, 2019 and 2018, the Organization delivered over 946,000 and 573,000 meals, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

Management's Estimates

The preparation of financial statements, in conformity with US GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of expenses during the reporting periods. Actual results could differ from those estimates.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation. Specifically, temporarily restricted net assets reported on the previous financial statements have been reclassified as net assets without donor restrictions. These net assets were restricted by board designation rather than donor restrictions.

New Accounting Pronouncement

On August 18, 2016, FASB issued ASU 2016-14, Not-For-Profit Entities (Topic 958) Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classifications, deficiencies in information and liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Love the Hungry, Inc. has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.
